

The record and stipulations as specifically set forth in the Award of the Administrative Law Judge are herein adopted by the Appeals Board.

ISSUES

- (1) What is the nature and extent of claimant's injury and/or disability, specifically is claimant permanently and totally disabled as a result of her injuries suffered while working for respondent?
- (2) If the court does not feel claimant is permanently and totally disabled, is there a period of time in which claimant is temporarily and totally disabled?
- (3) If claimant is not permanently and totally disabled, has her work disability increased from the initial award?
- (4) Is claimant entitled to future medical care with Mark A. Krehbiel, M.D., Ronald L. Young, D.C., and George S. Jerkovich, M.D.?

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Having reviewed the entire record, the Appeals Board makes the following findings of fact and conclusions of law:

The Appeals Board finds that the Award of the Administrative Law Judge sets out findings of fact and conclusions of law in some detail and it is not necessary to repeat those herein. In a very lengthy and well reasoned decision, the Administrative Law Judge found claimant to have suffered an increase in her work disability from 50 percent originally awarded to 70 percent. The Appeals Board finds this decision by the Administrative Law Judge to be accurate and appropriate, and the Appeals Board adopts same as its own findings and conclusions as if specifically set forth herein as to the issues raised.
